Requirements for Incoming Students

New students (first years and transfers) are required to submit medical paperwork prior to arriving on campus. Follow the steps below to complete your requirements:

- Select [Forms](#) to complete your Health History Form.
- Select [Immunizations](#) and enter your immunization history.
- [Upload](#) Your Physical Exam Form, your Insurance Information Form, and Immunization Record.

NCAA and IHSA ATHLETES: You must complete additional forms available [HERE](#) (If you will be under the age of 18 upon arrival on campus please scroll to the bottom of the Forms page to download your forms and have your parent or guardian sign, then upload on the Upload Tab of this portal). If you have any questions about your required forms please contact a member of the Sports Medicine staff (sportsmedicine@goucher.edu).

Returning Student-Athletes: If you compete in intercollegiate athletics at Goucher, please complete your required annual Sports Medicine form:

- Annual Student-Athlete Returner Form

If your insurance has changed in the last year, please upload a new Insurance Information form. Please communicate any changes in your medical history to your athletic trainer.

New or Transfer Student-Athletes: If you are new to Goucher Athletics, please complete the following forms:

- Medical History Questionnaire

UPLOADING FORMS

Please enter the dates of your Immunizations below in the appropriate section. You will then upload a copy of your Immunization Record (found in the Form section and signed by your healthcare provider) or your official immunization record to the Portal using the Upload tab.

*Maryland Residents, please note: If you received your vaccines in the state of Maryland, and they were sent to ImmUNET (Maryland's immunization registry) we may have a record of all or some of your vaccines. If this is the case, you will see the word "Verified" next to each individual vaccine and you do not need to submit vaccination records. If you do not see the word "Verified" next to a specific vaccine, you must submit a vaccine record.

If you have entered your immunization information online, don't forget to [upload](#) a hard copy of your record to Health Center so that the information can be verified. You will not be considered compliant with the immunization requirements until you have completed this step.
